

Deliciously Divine Duo – Pear Chardonnay Jam with Bleu Cheese

- 1/4 cup or more **TSG Pear Chardonnay Jam**
- 1 wedge bleu cheese or other tangy, salty cheese

1. Heat TSG pear chardonnay jam in microwave on medium power until very warm and smooth; stir.
2. Drizzle warm jam over a wedge of your favorite bleu cheese. Or slice cheese into smaller portions and drizzle each portion with warmed TSG jam.

APPETIZER

Note: This combination is fabulous! Much like honey with bleu cheese, but the flavor of the TSG jam is a clear winner over the varying flavors of different honeys.
